EXPERIENCE

Nov 2017 – Present

CO-OWNER & GUITAR TUTOR - FRETNOT MUSIC SCHOOL

- Designed, developed, and currently maintain the official Fret Not Music School website to attract new students.
- Designed, developed and currently maintain the fullstack student management web application used to manage student attendance and homework.
- Responsible for teaching, encouraging and maintaining relationships with students of all ages.

Nov 2023 – Nov 2024

FRONT-END DEVELOPER (CONTRACTOR) – ITHEGI ELECTRONICS

- Integrated a custom JavaScript-based QR scanning feature to enhance application functionality and streamline user data capture.
- Engineered responsive, mobile-first web interfaces using Bootstrap, CSS, and JavaScript, ensuring seamless cross-device compatibility.
- Translated UX design requirements into intuitive, visually consistent front-end architectures that prioritized overall usability.

2016 – 2020

LAMI CLEANING - ADMIN CLERK

PROFILE

Final-year Bachelor of Science in Information Technology student with practical experience in contract front-end development and UX design. Alongside my studies, I co-manage a private tutoring business, where I built and currently maintain our official website and student management web application. Seeking a junior web development or graduate role.
